PCA Classroom Observations

WELCOME

Pensacola Christian Academy has a rich heritage of over 60 years in Christian education. Over that time, through the vision of Drs. Arlin and Beka Horton, we have developed tried and true methods for successfully operating a vibrant Christian school ministry.

Principals Clinic is designed to inspire principals, administrators, and pastors to greater servant-leadership and effectiveness, while offering in-depth solutions for common administrative procedures. Our skilled, professional staff will share invaluable knowledge and proven techniques so you'll be thoroughly prepared in a variety of key topics. And the Office Management track for secretaries and office staff will greatly benefit your personnel.

Make plans early to attend! We would count it a privilege to help you build a more effective Christian school ministry for the Lord.
